SUMMARY

Motivated and hands-on **Frontend Developer** with strong knowledge of **React**, **Tailwind CSS**, and responsive design. Built and delivered multiple production-ready websites with modern UI, reusable components, and API integration. Fast learner, team collaborator, and passionate about clean, scalable code.

EXPERIENCE

Technical Intern – Vcodez
Chennai | Mar 2025 – Jun 2025
- Contributed to 5+ client-facing web applications using modern web technologies.
- Built reusable React Components and optimized frontend performance.

Freelance
Remote | Nov 2024 – Dec 2024
- Designed and delivered 4 custom web applications using **React**, **HTML/CSS**, and **Tailwind**.
- Integrated public APIs and improved client UX through visual enhancements.

EDUCATION

B.Tech - Muthayammal College of Engineering
Rasipuram | Aug 2021 – May 2025   (CGPA: 8.1)

HSC - New Power Matric Higher Secondary School
Sankarapuram | Aug 2020 – May 2021   (77.8%)

SSLC - New Power Matric Higher Secondary School
Sankarapuram | Aug 2018 – May 2019   (72.2%)

PROJECTS

ZFusionAI – Company Website

- Created a fully responsive company website using **React + Vite** in 2 days.
- Applied Tailwind for fast UI styling and smooth layout handling.
- Focused on component reusability and performance optimization.

Developer Search Engine

- Built a search platform to fetch YouTube videos and web articles by keyword.
- Used **React** for frontend and **Node.js** for backend API communication.
-
